Loranne Ausley honored for her efforts in education and early care

State Rep. **Loranne Ausley**, D, District 9, and Nan Rich, D, District 34, received the Children's Forum Legislative Leadership Award April 1 for her commitment to making a difference in early care and education for the young children in Florida.

Ausley has been advocating for early care and education ever since she was elected to the Florida House of Representatives in 2000. Serving the needs of Florida's children, Ausley sits on many House councils and committees including the education council and preK-12 committee. In addition, Rep. Ausley is chair of Whole Child Leon and is a board member for several other nonprofit organizations including the Capital Area Red Cross and Tallahassee Urban League.
