

Children's Forum Develops Facebook Page that Targets Licensed Providers in Brevard County

9/22/2009

The Children's Forum's Quality Initiatives Department in Brevard County has established a Facebook page where local Early Childhood Professionals can discuss various issues and concerns in a positive setting, network and share ideas that will help support and encourage one another. The Facebook page also includes information on special events and trainings and is monitored daily. Visit the [Children's Forum-Brevard](#) Facebook page or search in Facebook under Children's Forum-Brevard. For more information or to include suggestions about this page, please send an email to childrensforum@gmail.com.

The Children's Forum also has a general Facebook page. Please visit us at <http://www.facebook.com/pages/Childrens-Forum/118483045976>
